

A light to my path. Psalm 119:105

A Walk of Faith

We, the people of our country, stand at the threshold of a crucible. What happens in it depends upon who controls it. In 1966, while flying missions into North Vietnam, the wings of Colonel Edward L. Hubbard's fighter jet were shot off. He was captured and placed in Hoa Lo Prison dubbed "Hanoi Hilton" by American POWs. Colonel Hubbard spent 7 years in his "crucible" of a single cell without windows, and a windowless door. His living conditions were controlled by the enemy, but he placed his life in God's hands living each day of his 7-year imprisonment by faith. As you walk through the remaining days of this year 2020, be blessed by ABBA's assurance in Hebrews 13:5-6, "...I will never leave you nor forsake you." And "The Lord is my helper; I will not fear. What can man do to me?" Shalom!!
