

Absolute Trust!

At 4:30 a.m. on July 15, 2020, I awoke with two phrases spoken to me--Absolute Trust and Confident Assurance. In our country, we are living in a dark and troubling time. This is a time to have absolute trust and confident assurance that any trouble we give to God, He, our Abba Father, will work to our good. For that we are to be thankful. I bless you with the LORD's word to give thanks in everything; for that is God's will in Christ Jesus (1 Thessalonians 5:18) Shalom!!
