

A light to my path. Psalm 119:105

Believe and Speak!

Four days before speaking at a church in Mississippi, the car engine of a Christian brother failed. The cost to repair was \$4,000, which he did not have. He paid by credit card believing God would provide. Upon arriving at the church, the pastor gave him a check for \$4,000 not knowing about the car engine repair.

2 Corinthians 4:13 tells us that we have a spirit of faith in us. When we believe we should speak it out. Mark 11:22-24 tells us when we believe, do not doubt, and say what we believe we will have what we say. James 4:3 teaches that we do not have because we do not ask, or we ask and do not receive because we ask amiss.

I encourage you to read and meditate on the above scriptures and pray for the fulfillment of what you need believing you will have what you say. The blessings that will come upon you will be tremendous. Shalom!!
