

A light to my path. Psalm 119:105

Beloved, Where Are You Going?

When God's Presence came into the room where I was praying, on January 30, 2010, it did not leave until He said, "Homer, if there is something you think that you should do, go where I send you. Just show up; for it is My work to do in you, and My work to do through you." Do you know God's purpose for you? A purpose that you cannot do without ABBA. Do you know where He wants you to go? Is God leading you, or are you following the traditions of men? I want you to be blessed by knowing that God has a plan for you. A plan that has a good future. You shall be exceedingly abundantly blessed by seeking God's plan for you, walking in it by faith, and walking close to ABBA. The closer you walk with Him, the safer you will be. Shalom!!
