

A light to my path. Psalm 119:105

Do Not Fear the Storm--

For I am with you; do not be dismayed, for I am your God. I will strengthen you, yes, I will help you, I will uphold you with My righteous right hand. Our country is experiencing a horribly black destructive spiritual storm. The disciples experienced a destructive physical storm on a crossing of the Sea of Galilee. Jesus was sound asleep during the storm. The disciples became afraid for their lives. They woke Jesus, calling Him Teacher, not realizing that the God of Creation, Elohim, was with them in the form of a man. Jesus did not correct the disciples. He spoke to the storm and it ceased. He asked them why they were afraid and did not have faith. The disciples had no faith because they did not see Jesus as the LORD of their lives and circumstances. In your storm of sickness, financial lack or hurtful relationships do you have faith in the One who calmed the physical storm? Is Jesus, God Incarnate, the LORD of your life and circumstances?

I pause, for ABBA has shown me a woman who has cancer in her breast. I speak healing over her in Jesus' name, and say, receive the healing touch of ABBA's love upon you.

To you, Reader, I speak blessings over your life, and you, in your circumstances, with the words above from Isaiah 41:10, and say to your storms, "Peace, be still!" Shalom!!
