

A light to my path. Psalm 119:105

### **Faith or Pride, Hmm?**

As I read Daniel 4:37, the last sentence stood out, “And those who walk in pride He is able to put down. My eyes focused on the word pride, and the letter “I” in the center of the word. Then I thought about the word faith, which has the letter “I” in its center. Isaiah 40:31 tells me to wait on the Lord, which requires faith. When we practice faith, our strength is renewed. We are lifted as on eagles’ wings. The letter “I” in each word represents you and me. I can be in either pride or faith. When in pride, I am put down. When in faith, I am renewed and lifted. Pride is boastful, while faith is humble. Pride is a barrier to blessings. Faith is an attractor for blessings. I speak great blessings from Abba Father over you as you stand strong in faith humbly. Shalom!!
