

A light to my path. Psalm 119:105

How Big Is God?

January 30, 2010, I was praying when the mantle clock struck 3 a.m. Suddenly a huge white form entered the room. I thought, “This is the biggest snowbank I have ever seen. I can’t get around it or over it.” Just as suddenly I knew the presence was God. This infinitely limitless Presence enters each person, as the Holy Spirit, when they receive Jesus as Savior and Lord. Yet, we tend to talk to God as though He is a great distance away. But He is as close as our thoughts. Receive God’s blessing of His promises that when you set Him before you, you will not be moved. Draw near to Him when your heart is broken. God is near to all who call upon Him and put their trust in Him. Shalom!!Big
