

A light to my path. Psalm 119:105

## **Is Life Like A Mop?**

I heard someone say, "Sometimes you just have to take what life gives you because life is like a mop."

The enemy of this life is the devil, and the guardian is Jesus, who overcomes life's messes. The mop is like Father God's hand that cleans up messes in your life. Have faith in Father to take care of you. See the I in FAITH as you in the center of FATHER giving you eternal rest that begins now.

I bless you with the love of the Father, who gives you courage and resilience. Shalom!!
