

A light to my path. Psalm 119:105

Jesus Our Strength

This week has been busy for one who is retired. Meetings and appointments every day; telephone discussions with contractors; computer searches about paint and Georgia State House bills; fact-finding searches on holocaust education curriculum. Demands can be overwhelming, but I have learned that strength comes from Jesus (Philippians 4:13) and to rely on God's shalom peace (Colossians 3:15). In this, God works all things to the good for me (Romans 8:28). I bless you with a paraphrase of Habakkuk 3:17-19: though your expectations are not seen, nor your effort is fruitful; though your funds are lacking, and all seems hopeless, rejoice in the Lord, who is your strength; and He will make you walk above it all. Selah! Shalom!!
