

A light to my path. Psalm 119:105

Jesus is Wisdom!

"I, wisdom, dwell with prudence, and find out knowledge and discretion" (Proverbs 8:12). I know a woman, the same age as my children, whose life is fraught with multiple issues. Such a life is neither peaceful nor enjoyable. A life lived in the Lord's wisdom gives us careful thoughts, facts needed, and ability to make fruitful decisions. You are blessed by the Lord's wisdom when you seek His face. He knows your needs and will work for you to make things good because He loves you. Do not be cast down. Hope in God, the Lord of hope, and praise Him. Shalom!!
