

A light to my path. Psalm 119:105

Love God Cannonball Style!

In your young years, did you do a “cannonball” into the swimming pool, a pond in a meadow, or swimming hole in a river? You ran toward the water, leaped into the air, quickly pulling your knees to your chest while wrapping your arms around your legs, and hitting the water. You were fully into the water. Water splashed those nearby. ABBA Father loves us “cannonball style.” How do we love Him “cannonball style?” We love Him with all our heart, soul, mind, and strength. Can we do that? We can when we allow Abba to love us first. His love will permeate us and return to Him from our heart, soul, mind, and strength. I bless you with ABBA’s words, “I have loved you with an everlasting love; therefore, with loving kindness I have drawn you.”. Walk in the blessing of God’s love! Shalom!!
