

A light to my path. Psalm 119:105

## **Peace Like a River**

The world's peace is like a fast-moving raging river that conceals death and destruction ending with a crashing crushing waterfall. Abba's peace is a vastly wide river teeming with life as it flows slowly gently caressing the land and providing for all needs of those who come to it. By Abba's peace, I go where He is going; the work of my hands is the work He is doing; the words I speak are the words He speaks; and the message from my pen is His message. I touch you with Abba's blessing to go where He goes, work His works, speak His words, and share His message with others. Be refreshed, strengthened, and encouraged. Shalom!!
