

A light to my path. Psalm 119:105

Right Believing

Bad things happen to good people because they believe wrong. Pastor Joseph Prince wrote in his book, *The Power of Right Believing*, “Right believing always produces right living.” An example of wrong believing is the disciple Thomas’s statement to the other disciples. He said he had to see the prints on Jesus’ hands, put his finger into the prints, and put his fingers into Jesus’ side before he would believe. An example of right believing is Jesus’ statement to Thomas, “because you have seen Me you have believed. Blessed are those who have not seen and yet believed.” The world says seeing is believing. God says believe first and you shall see. Read Mark 11:22-24 to see God’s way of believing and seeing. May you be blessed with encouragement to seek right believing and understanding to use it. Shalom!!
