

## **The Meaning of Hope!**

This week, Sandra and I have discussed the meaning of hope. We have experienced the failure of the world's hope and success of biblical hope. A person puts their trust in one or the other. I have seen the world's weakness to meet my expectations of hope, but I have experienced the Lord's strength in meeting my hopeful expectations. In my waiting, I have learned that God loves me enough to be slow because He wants to do it for me, in me, and through me. Paraphrasing Habakkuk 1:2-3, as I wait for my expected hope, it seems to tarry; yet I wait though it tarries, for it shall surely come. May you be blessed with the understanding of biblical hope and experience the Lord's strength to wait for it, for it shall surely come. Shalom!!
