

A light to my path. Psalm 119:105

Trust is a Product of the Mind!

There are times when overwhelming troubles require us to trust in someone or something. Trusting means we have a strong belief in someone's reliability, truthfulness, ability, and strength. Belief is a product of the mind without proof. Trust is a product of the mind supported by the heart. Psalm 56:3-4 and Proverbs 3:5-6 tell us to trust God and not our own understanding. Matthew 6:20-21 tells us to lay up treasures in heaven. When we trust God, it is a deposit into our heavenly treasury. God adds a compounded increase. When troubles come, we can make a withdrawal from our deposits that give us strength to stand and see the troubles removed. I bless you with God's faith. Do not doubt. Tell the troubles to leave, in Jesus' name. You shall have what you believe and speak. Shalom!!
