

A light to my path. Psalm 119:105

Wait Upon the Lord!

The scriptures shown below encourage us to wait upon the LORD. Being patient has never been my strongest suit, in fact, it has many bumps and scratches on it from years of use. And, I have had to learn to guard my mouth (Psalm 141:3). Benefits to waiting include infused strength, courage to stand against trouble, absence of anger and wrath, and a quieted and undisturbed mind. When I am impatient, Isaiah 30:18, reminds me that Abba will wait and be gracious to me until I come to Him. I speak over you, Abba's blessings of patience to wait for Him to meet all your needs. Shalom!!
