

Whom Do We Please—God or Man?

We cope with many things in this life. I see “cope” as challenges, obstacles, problems, and errors. How we handle each of these determines whom we try to please. When we give them to ABBA Father, He meets our need superabundantly. Man’s solution to the things with which we cope become the next issue. I bless you in that whatever you do, do it as to the Lord and not to man. Shalom!!
