

A light to my path. Psalm 119:105

Whose Work Is It Anyway?

I had a dream on February 6, 2021. In it, I built a process that did not work. Then, a process was given to me, to which I added. It did not work. I was given another process shorter than the one I built and the one to which I added. It worked perfectly. I learned that what I do without Abba Father, or add to what He gives me will not work. Instead, I am to receive and use, by faith, what Abba provides trusting that it is enough. Truly, this is a lesson for everyone. I bless you with a desire to seek the Holy Spirit's guidance and help in all you do. Shalom!!
