

A light to my path. Psalm 119:105

Nothing!

What is nothing? The word is made from two, no and thing. When you have nothing, you have no thing. Hmm? People have lost a toe to diabetes or a breast or prostate to cancer, fired from a job, rejected in a marriage, experienced bankruptcy; the list is endless. The enemy, Satan, wants us to look at what we lost. God, our Abba, tells us to look at what we desire. To have faith in Him. Believe we will have our desire and say that we have it. Abba promises that we will have it. I speak blessings of encouragement over you for a strong desire to see what you do not have, believe you have it, and call it forth. Shalom!!
