

A light to my path. Psalm 119:105

Authority!

We have authority! Jesus gave us authority *over all the power of the enemy*. To *bind* the enemy's lies, deception, and attacks. To *loose* people from sickness, infirmity, fear, and broken heartedness. To *submit to God* and *resist the devil*, who will flee.

ABBA has made me aware of people for whom I have spoken authority to be loose from the darkness of their thoughts, have a successful surgery, cast out sickness, and release them from fear. You are blessed with the authority to change your life and help others change theirs. Take hold of that authority and call forth those changes. Shalom!!
