

A light to my path. Psalm 119:105

## Quietness

Quietness is more than silencing your voice. It is also silencing the thoughts of your mind and emotions of your heart. In quietness the still small voice of the Lord can be discerned. Why under those conditions? Worldly sounds are like hurricane winds and roar of a tornado. Both are deafening. Those sounds are empty and unfulfilling. The world's voice is confusion, division, and violence, which steals your peace. In contrast, ABBA's voice brings peace and order. His voice is pregnant with wisdom, revelation, love, and direction. Quietness in ABBA's presence is a refuge and fortress that calms the storms of life. In His presence you are blessed with a place where you can be *renewed in the spirit of your mind*.

Shalom!!
