

A light to my path. Psalm 119:105

## **Love, Strength and Power!**

I sat in my study a few days ago thinking about the love, strength and power of God. While He is El Elyon, God Most High, He is my Abba Father. Abba is the best father anyone could ever have. Unlike earthly fathers, Abba knows each one's heart, thoughts and intent of their thoughts. Like good earthly fathers, Abba only requires that we trust Him. His love is demonstrated through the healing of our bodies, provision of all our needs, and resolution of all our problems. It is like being with your best friend in easy enjoyable times and difficult dark times. But, your friend in the flesh is as weak as you; therefore, in need of the same love, strength and power. I bless you with an intimate relationship with Abba as your father who showers you with love, strength and power. Open your mouth wide so He may fill it. Shalom!!
