

A light to my path. Psalm 119:105

How Close is Close Enough?

God, Abba Father, has a plan for each of us. It is His job to work the plan and our job to talk with Him listening to what He wants us to know about that plan. Abba is in us through Jesus our Savior. Now, that is being close to us; yet it is not close enough. Abba wants to be as close to us as the air around us. Selah!

Are you conscious of the air around you, or concerned that there is enough air to keep you alive? Probably not! Abba wants each of us to be as dependent upon Him as we are on the air, He created for us so we could have life. When you take time to be silent before Abba, His presence will surround you and blessings will flow over you. Abba is the air you breathe! Spend time with Him and be blessed. Shalom!!
