

A light to my path. Psalm 119:105

Now!!

“If only I had known what I know now!” is a declarative lens through which we assess an action or event that occurred in our past life. “Now” describes the present. In the next hour it will still be “Now.” Tomorrow, next month, next year, or many years from today it will still be “Now.” Not all of our actions or decisions will be perfect, yet we can have the peace of God now. The words we speak or decisions we make in the faith of God are now the *substance of things hoped for, the evidence of things not seen*. Beloved, I bless you with the confident assurance that nothing you do or say wrongly will stop God from loving you now and all the days to come. Shalom!!
