

A light to my path. Psalm 119:105

The Peace of Jesus!

If you were in prison chained and locked in a cell, what would be the state of your heart and mind? The Apostle Paul was in such a situation in Rome. Yet, he experienced the peace of Jesus, not the world's peace. Paul told the people of Colosse to let the peace of God rule in their hearts. There are prisons of sickness, depression, fear, despair, lost relationships, and financial lack. Does the peace of God rule in your heart in these situations? It can when you focus on Jesus instead of yourself. When you trust Abba and stand on His promises you experience the peace Jesus gives. I reach across space and time blessing you with the healing power of Abba's love that brings the peace of Jesus into your heart and mind. Shalom!!
