

A light to my path. Psalm 119:105

## **Lamp of Our Body**

The eyes are the lamp of our body. With sight we have light. With blindness we have darkness. Seeing good fills our whole body with light. Seeing bad fills it with darkness. Seeing loving care puts good treasure into our heart. Seeing abusiveness and violence puts in bad treasure. Whatever is in our heart, good or bad, will come out of our mouth. We should cast the bad seen onto Jesus, who cares for us. By doing that we guard our heart with all diligence. Guarding our heart is self-control, which is a fruit of the Spirit. I bless you with self-control through the Holy Spirit to guard your heart all your days on this earth. Shalom
