

A light to my path. Psalm 119:105

The Substance of Jesus!

The substance of Jesus is His inherent, unchanging nature, His essence, His love! Those who ate the bread and fish He multiplied tasted Jesus' love. The woman with the 12-year-old bleeding issue felt Jesus' love. The man born blind and lived his entire life in darkness saw Jesus' love. All these people hoped for something. Our spoken hope for what we desire is the key that opens the door to Jesus' love, His substance. A state of hopelessness is a lost key. I bless you with not letting your heart be troubled or afraid. Rather, speak out a bold hope while keeping a confident trust in Abba and endure until His promise comes to you. Shalom!!
