

A light to my path. Psalm 119:105

## **God Is Faithful!!**

Sandra and I have sat with Christian born-again believers, in their homes and in our home, who had a terminal illness. We prayed and spoke healing over each person. Yet some of them died. We have touched people or talked to them by cellphone for healing and heard them proclaim their healing. Jesus told people they were healed because of their faith. He rebuked His disciples for having little faith. Faith is believing. When we believe we will die, we die. When we believe we are healed and will live, we are healed and live. We will have what we think or say! God is always faithful!! What we believe makes the difference between life and death. God has given us the choice of life or death and tells us to choose life. I bless you with the healing power of God's love saying choose life, and send a shalom New Year's toast saying L'chaim, which means To Life for you and all those you love!
