

A light to my path. Psalm 119:105

Obedient Clay!!

God sent Jeremiah to the potter where he saw a marred vessel that was being transformed into one without blemish. The clay did not resist the potter or try to leave the wheel. God is our potter! We are His clay! He sees our blemishes and mistakes with a loving heart and desires to remove them. We must be obedient clay remaining in His Presences allowing His hands to transform us into the person He wants us to become. You shall be greatly blessed when you remain in Abba's hands allowing Him to transform you for, He is your loving Father who cannot do enough for you. Be obedient clay!! Shalom!!
