

A light to my path. Psalm 119:105

## Seeing Blessings in Difficulties!

The world gives difficulties liberally. Jesus gives His peace superabundantly. A mother named her son Jabez, which means sorrow because she experienced pain during his birth. Imagine Jabez shunned and ridiculed for his name. Yet, he called to God for an enlarged territory so he would not cause pain. God blessed Jabez's prayer.

God's cellphone number is Jeremiah 33:3. He tells us to call Him, and He will answer. When we call to God in our difficulties, He shows us great and mighty things we do not know. These are His blessings. In an extreme difficulty, call God's 911 number, which is Psalm 91:1, then enter His secret place to dwell for protection against the storms of terrors, arrows, pestilence, plagues, and destruction.

Blessings come out of difficulties when we have unshakable faith, which comes from believing right. I bless you with the presence of Jesus' peace in your time of difficulties. Shalom!!
