

A light to my path. Psalm 119:105

## **Walking Above Fear!!**

Today, fear is everywhere and has a suffocating influence on thousands of people. It is seen in the flood of masks worn by those in fear. No one has to let the world's fear touch them. Each one can step out of the boat and walk above fear in the Presence of Jesus. Fear's gateway to one's heart is through their thoughts. Speaking God's word dissolves thoughts of fear. God has not given anyone a spirit of fear. He has given power, love, and a sound mind.

Walking in the Spirit gives life to one's body even to their immune system. God says not to fear or be dismayed for He is our strength. His help is declared over us. He promises to uphold us with His righteous right hand. God's word does not return to Him void. I touch you with blessings of God's healing power of love, in Jesus' name! Therefore, cast your fears on Abba for He cares for you. Shalom!!
