

A light to my path. Psalm 119:105

Shackles of Our Mind

When we allow ourselves to fall prey to the world's way the devil binds our strength, blinds our sight, and shackles our minds. Then he leads us from the path Abba has called us to walk into the world's darkness. The devil's shackles can lead us to think that our troubles are punishment from God. We may be shackled with illicit living, debilitating illness, chronic depression, financial lack, addictions, loneliness, relationship issues, negative thoughts, or religious legalism. Abba wants to break those shackles and restore us to Himself as He did for the leprous man. I reach out blessing you with the healing power of Abba's love to remove your shackles, in Jesus' name. Shalom!!
