

A light to my path. Psalm 119:105

I AM Willing!!

Then Jesus touched the leprous man saying, *I am willing; be cleansed*. Immediately his leprosy was gone! God cannot be clearer that He is willing to heal all who come to Him! The unwillingness for healing comes from the one who needs it. That person must be willing, in their heart and mind, to receive God's healing; and believe, without doubt, that they are healed. Two people with the same sickness went to the same medical doctor. Each had a different outcome. One believed the doctor could heal them and received such healing. The other believed they could not be healed and was not. The same occurs when people go to God for healing. What we say we shall have! Selah

I bless you with the healing power of God's love *that you may prosper in all things and be in health, just as your soul prospers*. Shalom!!
