

Husbandman

When we, in our spirit, receive Jesus, we are placed into a finished garden, our earthly body. We are to care for our bodies. If we allow the world's values and instructions, which bring worry and stress to enter our spirit heart there will be a negative degrading attack on our bodies. Jesus' body was laid in a tomb in a finished garden. He arose from the tomb by the Holy Spirit's power, not by the world's power. We are to let the Holy Spirit lead us in the care of our body. I bless you to *take heed how you hear. For whoever has, to him more will be given; and whoever does not have, even what it seems he has will be taken away.* Shalom!!
