

A light to my path. Psalm 119:105

God Is Love!

1 John 4:16 declares that God is love. His love is pure, pristine, marvelous, and powerful. Its power is in its synergy for it is greater than the sum of its individual parts. Father, Son, and Holy Spirit are the individual parts. There are none greater than anyone one of them. Yet, the power of God's love is greater than the total sum of His three parts. Human intelligence has no exponential power large enough to measure the synergistic effect of God's love for it is limitless. God's love is the core of His existence. Love from just one member of the Godhead is enough to meet all needs, but God gives to each of us His combined love at its synergistic level of power and He gives it lavishly. His love replaces bitterness with joy, lack with abundance, broken relationships with renewal, sickness with health. I touch you with the power of God's love for any need you have. Shalom!!
