

A light to my path. Psalm 119:105

Little by Little!

Exodus 23:29-30 (NKJV) gives insight to spiritual growth. As believers in Jesus, we live in a world that has ravenous wolves looking for easy prey from whom to steal, destroy or kill. Learning to become spiritually strong to stand against our enemies requires growth. Abba does it little by little protecting us along the way from terrors, arrows, pestilence, plagues, and destructions. Our growth comes from experientially learning God's word by application. Through this growth our *faces become strong against the faces of our enemies. Our foreheads become adamant stone harder than flint against the enemy's forehead.* The enemies can be financial lack, broken relationships, sicknesses, or addictions. Beloved, I bless you with strength whereby you do not cast away your confidence in Abba but endure until His promises for you are fulfilled. Shalom!!
