

A light to my path. Psalm 119:105

The Meek!

Matthew 5:5 (NKJV) states that blessed shall be the meek. The blessing is the inheritance of the earth. The state of meekness is a mild disposition, not weakness. Characteristics of a meek person are strength, activeness, courageousness, restraint, modesty, and graciousness. A meek person has absolute faith and trust in God and walks with the Holy Spirit through whom they receive self-control. *They can run against a troop, and by their God, they can leap over a wall* (Psalm 18:29). The inheritance is the return of the dominion held by Adam before he disobeyed God's instruction not to eat of the tree of the knowledge of good and evil. Isaac, son of Abraham, sowed seed during a famine and received a hundredfold harvest. The meek are prosperous and successful in all they do. For they do it as unto the LORD. Beloved, meekness exceedingly blesses you. Partake of it today! Shalom!!
