

A light to my path. Psalm 119:105

Be Merciful!

The blessing that comes to one who is merciful is mercy. A blessing of mercy comes to one who is actively compassionate toward another person. Achievement of active compassion is by action, not words. People remember what we do for them longer than what we say to them. Being merciful returns mercy, a fundamental principle that works in the converse. One who is not merciful will not receive mercy. This principle aligns with the Golden Rule of Matthew 7:12 (NKJV) that states *whatever you want someone to do to you, do also to them*. Mercy begins with forgiveness. Unforgiveness is judgment, an act that is without mercy. Unforgiveness blocks blessings. Mercy opens the flow of blessings. Beloved, what ABBA requires is to do justly, love mercy, and walk humbly with Him. Shalom!!
