

A light to my path. Psalm 119:105

Pure in Heart!

Each person has two hearts. One is the physical sustainer of life to our body. The other is our spirit heart. Both are vital to the quality of life we live on earth. The Hebrew and Greek languages define the heart as thoughts and feelings, which also define the mind. Therefore, to have a pure heart, we must guard what we see, hear, and think because what comes through those windows goes directly to our spirit heart. But can we see God? He stated that no man could see Him and live. Moses saw God's back. Jacob said he had seen God face to face and lived. Which way is it? God is a Spirit, which we cannot see in this life. Beloved, simplicity yields clear seeing. When you seek God, He will bless you to see something remarkable with wide-open eyes so you can declare that He is in your presence. Shalom!!
