

Walk in the Light!

On Christmas Day, December 25, 2022, my church, The Solid Rock of Atlanta, held a one-hour celebratory service of Jesus' birth. The theme, through various scriptures read by five people, was light. 1 John 1:7 (NKJV) encourages the reader to walk in the light, not darkness. That scripture states that Jesus is the light. It is while in Jesus' light we have true fellowship with one another. Some people prefer the darkness because their deeds are evil (John 3:19). In the world's darkness lives racism of all races, social media scams, human trafficking, idolatry, addictions, perversion, sickness, and much more. The light of Jesus exposes the darkness. When light enters, darkness flees.

I pray, on this last Friday of 2022, for each reader to receive, in greater depth, the light of Jesus and walk in it. To walk according to God's light instead of the light brought by their own conscience. To walk in the light of ABBA's calling for them.

We can walk in the light with confidence because the true light of God's love is in Jesus, His Son, who cleanses us from all sin.

A Shalom Happy New Year!!
