

A light to my path. Psalm 119:105

Commitment!

Commitment is something to which we dedicate ourselves. Usually, it is an obligation. It can be something we like to do more than anything else. Some people are dedicated to business ventures. Others are committed to a sport, or their family, or pets. Still, others are dedicated to the fine arts, science, or a legal or medical profession.

God wants us to be committed. He prefers we be committed to him first. Psalms 37:5 (NKJV), instruct us to commit our ways to the Lord and trust in him. We have cares in what we are committed to, but God tells us to cast those cares onto Jesus because he cares about us. (1Peter 5:7)

Jesus made the biggest commitment. He committed his life even to death on a cross for us. His commitment opened the way for us to commit our work to him. Thus, he can help us with our commitment, protect us from failure, and guide us to complete success.

Beloved, when you receive Jesus, walk with him. Become rooted, grounded, built up, and established in him. (Colossians 2:6-7) Then your commitments will be easy to carry out, and they will abound with success.

Shalom!!
