

A light to my path. Psalm 119:105

Rivers of Living Water!

Two invisible gases, oxygen and hydrogen, when joined into a molecule H_2O , become visible water. Only God can do such work! In the beginning, God created earth and covered it with water (Genesis 1:2, NKJV). God created man in his image and placed him in a body of flesh that contains sixty percent water.

Procreation of man requires water, amniotic fluid. Creation of water, a physical entity, brought forth a spiritual application. The Holy Spirit is living water! Thus, pouring water on thirsty, dry land revives it, as a blessing from the Holy Spirit strengthens children (Isaiah 44:3). God brought water from a rock to quench the Israelite's thirst (Exodus 17:1-7). Jesus is the rock that satisfies our spiritual thirst. Drinking from him gives us rivers of living water in our hearts (John 7:37-38).

Beloved, people who have the Holy Spirit are rivers of living water. Husbands who wash their wives with the water of God's word are a river (Ephesians 5:25-27). Fathers who nourish their children are a river from God (Psalm 103:13, 127:3, Proverbs 22:6). Women who are virtuous wives and mothers caring for their husbands and children are a river (Proverbs 31:10-31) Helping others to know Jesus as their Savior gives them living water. Shalom!!
