

A light to my path. Psalm 119:105

The Last Separation!

Adam looked at the fruit Eve had eaten. His decision to eat brought a separation between him and El Elyon (Genesis 3:6, NKJV). The Supreme Court of the Universe demanded payment for this disobedience. God could not have a relationship with people because they had inherited sin (Habakkuk 1:13). Life is in the blood. Therefore, by works, a man placed his hands on an unblemished lamb, imparting his sin to the lamb and received righteousness from the lamb (Exodus 12:3-8. Then he killed the lamb, shedding its blood (1 Peter 1:19). For a year, man could call upon God (Leviticus 23:13).

The second Adam, Jesus, God incarnate, came into flesh as the required payment. Jesus paid in rapid succession on the cross the penalty for Adam's disobedience until he said, "It is finished!" (John 10:30). We no longer work for our salvation. The Supreme Court of the Universe declared, "Case dismissed! Paid in full!" The veil separating the Holy of Holies tore in half. The way to God's throne was open for all who received Jesus to enter boldly. Separation from God ended two thousand years ago. Now, nothing shall separate us from God (Romans 8:31-39).

separation. He works tirelessly at separating families and individuals. His goal is to divide people by putting lies and toxic negative thoughts into their minds and convincing them to tell others. Accepting those thoughts will steal the relationships they have with others. Wreaked relationships result in wreaked lives and destroy people, ending their lives.
