

A light to my path. Psalm 119:105

Living an Unconscious Lie!

Unconscious means we are unaware. Therefore, we do not understand what is happening around us. Living unconsciously is to have no sense of a deeper knowledge of ourselves. Hosea 4:6 (NKJV) states that God's people are destroyed for lack of knowledge.

We are born with inherited sin. That fact is not a problem until our age of accountability; about twelve to thirteen. If we have not accepted Jesus, we live an unconscious lie because we do not know the truth. Not knowing the truth allows us to live by the world's standards, which are the unconscious lie.

Having an interest in Jesus does not prevent us from living an unconscious lie. We must accept Jesus as Savior and identify with him as Truth to grow and live in truth (John 8:32).

Beloved, when we want something from God more than we want him, we live an unconscious lie. Some who accept Jesus think they must work hard to get what they want when God has not given them what they ask. This is living an unconscious lie because it is living outside faith in God (2 Corinthians 5:7). Living in anger, wrath, selfishness, and offensiveness is living an unconscious lie. Accepting God's forgiveness, then living outside his faith, is living an unconscious lie. To break out of living an unconscious lie, we must seek God's kingdom and his righteousness first (Matthew 6:33). Then, we will receive all we want and need.

Shalom!!
