

A light to my path. Psalm 119:105

Love from the Father!

Christ made all things! All that we see, hear, feel, smell, and taste comes from the power of Christ. He put his love and life into all he made because all true love and life is in Christ (John 1:3-5, NKJV). God put his love for humanity into his creation. Through Jesus, God poured out his love for all humanity's redemption. It was God's love for humanity that he sent Jesus to redeem us from Satan's curse. This payment of love brought a peace that overcomes the world's troubles and gives us an eternal life that begins in the life we live on this earth (John 16:33). The love of Christ was first shown by Jesus' love for his twelve disciples and the feeding, healing, and teaching of the people (John 17:6-19, Matthew 25:35).

Beloved, Jesus' love continues to draw all people to him (John 12:32-33). Believers experience a oneness with God through their acceptance of Jesus. In our oneness with him, others see Christ in us (Colossians 1:27). What we do for others in the love of Jesus will remain with them longer than what we say (1 John 3:18). Because of God's love for everyone, he will use our actions to bring someone into his love, changing their life for the better. If you are looking for love, accept Jesus and find true love (1 John 4:10-21).
Shalom!!
