

A light to my path. Psalm 119:105

The Power of Sozo!

Sozo is the English word for σώζο, which means salvation in Greek. ^[1] It is a small word, but powerful. The salvation Jesus Christ gives each person is pregnant with benefits. It gives us protection and preservation, healing of sickness, makes us whole, restores our bodies to complete health, and delivers us from Satan's evil works. These benefits make sozo our shalom peace for living this life.

Instead of accepting sozo, many people spend a lot of money trying to get the same benefits from industries offering services of protection, preservation, healing their sickness, repairing their bodies, and trying to restore themselves to complete health.

God's way for our provision is to come to him without money and receive food, drink, and an abundant life (Isaiah 55:1-3, John 10:101-10, NKJV).

Beloved, many do not accept the salvation of Jesus because they doubt and are afraid. They believe they must provide for themselves. It seems impossible for them to believe someone they do not see will provide all their needs. Therefore, they struggle daily to get their provisions, only to come up short and live under great stress. Without accepting the salvation of Jesus, you will always live under stress trying to get what you want. God's way through Jesus is the best! Today is the day to accept Jesus! (2 Corinthians 6:2). Shalom!!
