

A light to my path. Psalm 119:105

Redemption Continually Creates

To pay the price for humanity's redemption, Jesus allowed his flesh to be torn from his back, accepted a crown of thorns on his head, and laid himself down on the stripe of the cross to have his feet nailed to it and his hands nailed to the patibulum. Then he received all our past and future mistakes, sins, and foolish ways into his body and withstood the punishment of God. This redemption he paid gave us forgiveness for our inherited sin, transformed our sin-filled spirit into a new Christ-filled spirit, gave hope for a new life on earth with him, and a fresh start free from all our mistakes (Matthew 27:26-50, NKJV).

Beloved, Jesus' redemption continually creates renewal and restoration in our lives (John 3:16-18). Therefore, in 2025, seek areas of your life where God wants to bring renewal and restoration (Matthew 6:31-34). He removes something lost or damaged with your permission, replacing it with something new. Allow God to put away your mistakes and negativity. He wants to give you a new understanding through which you can renew your commitment to him, resulting in a positive change.

Dear friend, allow God to become your ABBA Father, who creates within you a new heart and mind through the redemption his son, Jesus, gave you.
Shalom!!
