

A light to my path. Psalm 119:105

## What Does “God’s Will” Mean?

People ask God to reveal His will for their lives. When asked to pray for someone’s healing, some pray for God’s will to be done, then wait to see what He does. God’s will is not mysterious or unknowable. He created humanity in the image of the Godhead, but lower than the angels and Himself (Genesis 1:27, Acts 17:24-25, NKJV). His will for humanity is our glorification of Him (Isaiah 43:7). Through His will, He gives us unconditional love (John 3:16-17, Romans 5:6-9, 1 John 4:8-10). It is His will that all humanity accept Jesus to have eternal life with Him (John 17:3-5). It is God’s will to give us an eternal inheritance because He desires that we be one with Him through Jesus (Ephesians 1:11-12, John 17:20-21). God is the Lord who heals diseases and restores health; therefore, healing is His will (Exodus 15:26, Psalm 103:3, Jeremiah 30:17, 1 Peter 2:24, Luke 5:12-13). Life is in God and Jesus brought that life to earth and left it for us through the Holy Spirit, who has the power to give us what we want and need (John 5:26, Psalm 23:1, Philippians 4:19). It is God’s will that we have life and have it abundantly (John 10:10, 2 Corinthians 9:8). Each person has free will to accept Jesus and get the benefits that come out of God’s will. When we walk with Jesus, we can ask God for healing or to remove our lack. He is ready and willing to answer our request. Shalom!!
