

A light to my path. Psalm 119:105

### **Out Of Darkness Came Light!**

Outside of Godhead's presence was darkness. Out of that darkness, the Godhead called the light. That light came to illuminate the human world (Genesis 1:1-4, NKJV). The world's darkness invades our lives in different ways. Our life is our true career. We can live out our careers in the light of God or in the world's darkness. God provided a light to lead us out of our darkness (John 1:5). His name is Jesus! For most of Abraham and Sarah's life, they lived in the darkness of her barrenness. God promised Abraham a son through Sarah, but her barrenness prevented it (Genesis 11:30). After age eighty-six, Abraham became impotent, but he did not look at his condition or Sarah's barrenness (Romans 4:19-20). Instead, he stood on God's promise, which did not fail (Romans 4:21-22). At age one hundred, Abraham saw God's light shine when Sarah gave birth to Isaac. God's light can come to children who attend Sunday School, or to adults who attend church. God loves you so much, he wants you to stand on your faith that His light will shine on you for anything you need now or will need throughout your life career (Hebrews 13:5-6, John 14:1). Shalom!!
