

A light to my path. Psalm 119:105

### **The Value of Wisdom!**

How much is wisdom worth? Is it more valuable than gold, silver, or precious gems? Proverbs 3:14 (NKJV) tells us that what wisdom brings to us is more beneficial than silver, gold or rubies. In fact, we receive long life, riches and honor through wisdom (Proverbs 3:16). Wisdom's value comes from its endurance. It existed before time began. It is older than the primal dust of the world. Wisdom has no depth nor height. It stretches from everlasting to everlasting. All creation came through wisdom (Proverbs 3:22-30). Wisdom lives with prudence and brings knowledge and discretion (Proverbs 3:12). By wisdom we build our houses, homes, careers and families (Proverbs 24:3-5). How do we get wisdom? The source of wisdom is Jesus Christ (1 Corinthians 1:24, Colossians 2:3). Wisdom first came as a word. That Word became flesh and lived among people for thirty-three years (John 1:1-5). The same Word still lives among us today as the Holy Spirit. When we have Jesus, we have the Holy Spirit in us, who gives us an understanding heart to judge between good and evil (1 Kings 3:9). Are you accessing the wisdom of God for the decisions you make? If not, do not hesitate any longer. Receive Jesus and enjoy a life guided by wisdom. You will not regret your decision!  
Shalom!!
